Yesterday 2/11/2024 - The OBA resumed our monthly events after the weather forced cancellations in January. This month's event was hosted by [Milwaukie Bowl](#) and we are very thankful to the Husted family and staff for being great hosts.

Thank you for [Zach Trevino](#) and [Leanne Hulsenberg](#) and the team at Storm Products for your continued support of our organization.

[Benny Salinas](#) was very gracious as well and donated money to the prize fund for this event.

We ended up with 71 bowlers competing on an old version of PBA Cheetah (35 feet in length with 26.73 mils of oil and a ratio of 2:1). On the wood surface at Milwaukie, and with the number of bowlers, this was going to provide a good challenge to our field. After the 6 games we would cut to the top 16 for single elimination, 2 game total pins, bracket format. We would pay down to 23rd place.

In qualifying, it was [Tyler Boe](#) leading the way with a score of 1370 (+170) followed by [Ryan Nikolas](#) at 1310 (+110) and [Craig Tuholski](#) at 1294 (+94). The number to make the finals was a tie at 15th place with [Bud Sicard](#) and [Bill Machin](#) at 1212 (+12). The last check ended up being [Josh Wills](#) at 1174 (-26).

We paid a high woman out of the money and that went to [Makayla Jensen](#) at 1168 (-32) and a high senior out of the money and that went to [Richard Lorey](#) at 1160 (-40).

In the elimination bracket, we saw some really close matches in every round. The first round matches were highlighted with a close one with Bud Sicard and Ryan Nikolas. Ryan needed to double the 10th to force Bud to double the 10th, Ryan laced the first one and the second one was pure as well, only to result in a crushed 7 pin. Bud need strike and 8 spare to win and got the first one and 9 spare to advance the close match by 2 pins (maybe sign of things to come)

In round 2, 3 of the matches came down to the 10th frame, Jake Klemsen got by Kyler Crevier by 5 pins, Bud beat Corey Hall by 7 pins, and [Rich Corwin](#) beat [Craig Tuholski](#) by 17 pins.

Setting up the final 4 of Tyler Boe vs Jake Klemsen and Rich Corwin vs Bud Sicard. Both were entertaining matches with Bud and Jake both winning setting up a really good title match.

In the title match, it was really back and forth. Jake was at the wrong end of the breaks most the match but did what Jake usually does and kept the match close going into the 10th frame. Unfortunately an untimely split made it so Bud just had to go get 9 pins on two balls to win. Bud got up and left the 4 pin, and even with missing the spare, he had already locked up a 364 to 362 victory.

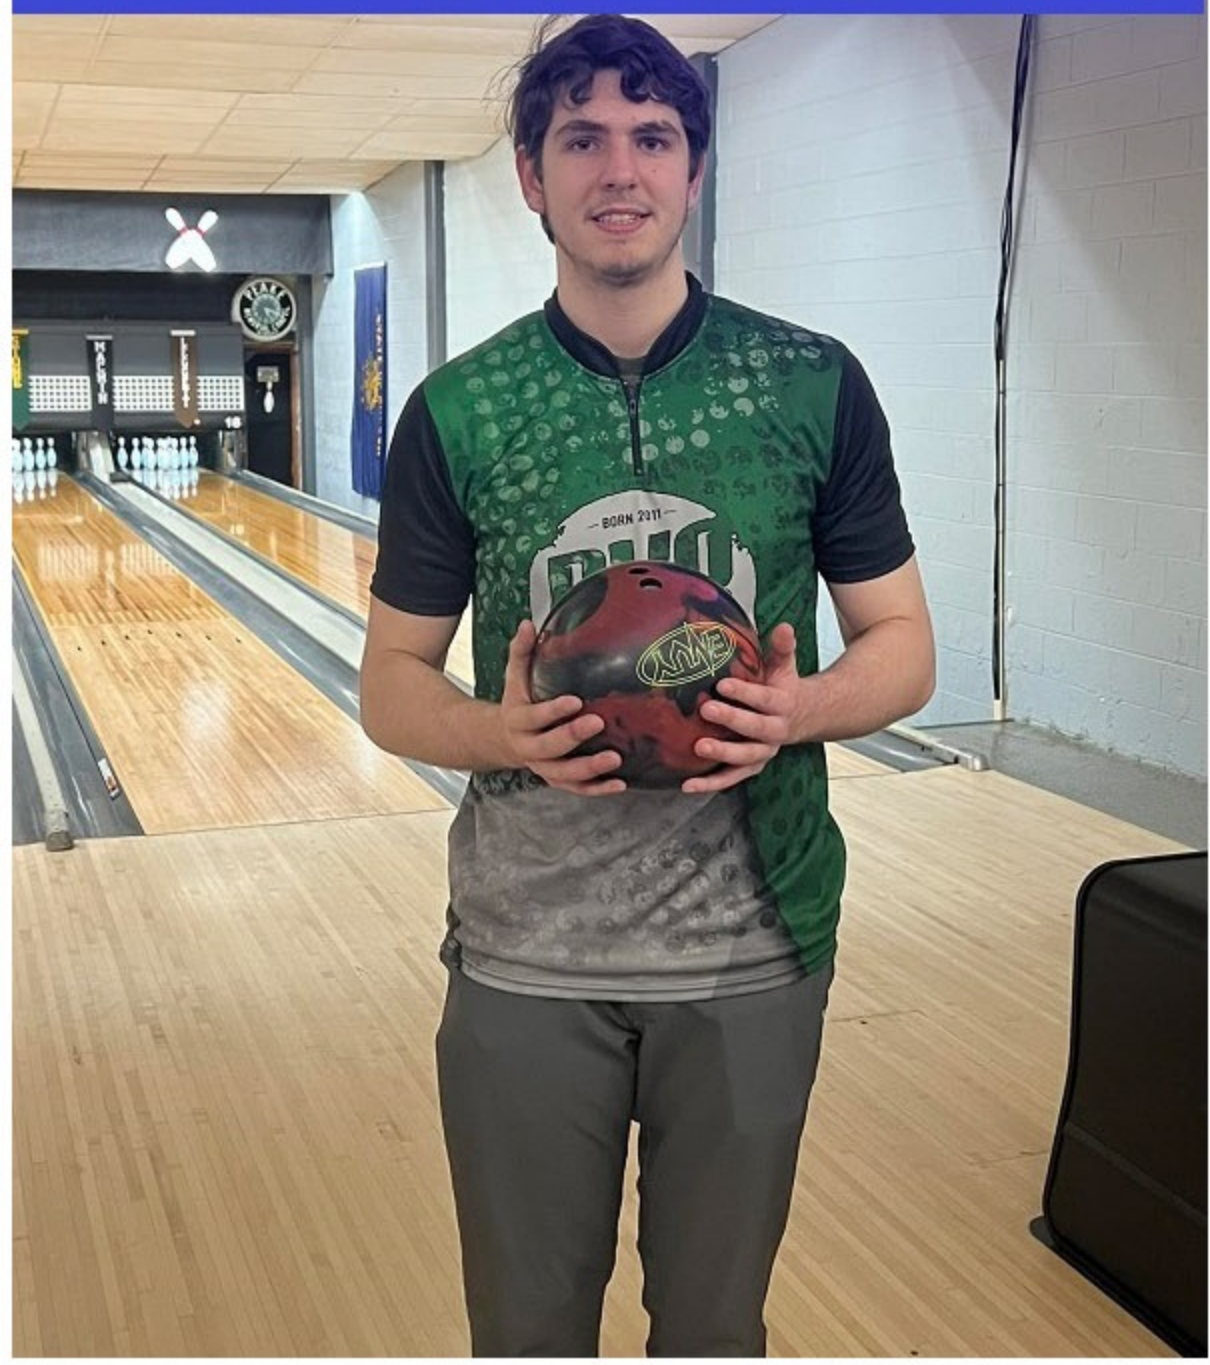

Bud has now won the last two OBA events we have hosted, both being at bowling centers owned by the Husted Family. Congrats Bud on your second OBA title!

I would also like to take the time to thank all the bowlers that come out and support the events. I know that we have a lot of options to bowl, and I appreciate everyone of you coming out and trying, learning, and getting better as bowlers. I know it isn't always easy or the outcomes we desire, but I seriously appreciate all of you. You bowlers make running these events very enjoyable.

Our next event will be at Woodburn Lanes. I will have a sign up sheet going for this event. We will be doing a non champ event on Saturday and Sunday will be two qualifying squads (more details on format for this event in the next few days)

Disclose statement: All moneys shown on the tournament standings for jr's is sent to their USBC Smart Accounts.

Bud Sicard wins back-to-back OBA titles defeating former POY Jake Klemsen 364-362 in the final match.

Ryan needed to double the 10th to force Bud to double the 10th, Ryan laced the first one and the second one was pure as well, only to result in a crushed 7 pin. Bud need strike and 8 spare to win and got the first one and 9 spare to advance the close match by 2 pins (maybe sign of things to come)

In round 2, 3 of the matches came down to the 10th frame, Jake Klemsen got by [Kyler Crevier](#) by 5 pins, Bud beat [Corey Hall](#) by 7 pins, and [Rich Corwin](#) beat [Craig Tuholski](#) by 17 pins.

Setting up the final 4 of Tyler Boe vs Jake Klemsen and Rich Corwin vs Bud Sicard. Both were entertaining matches with Bud and Jake both winning setting up a really good title match.

In the title match, it was really back and forth. Jake was at the wrong end of the breaks most the match but did what Jake usually does and kept the match close going into the 10th frame. Unfortunately an untimely split made it so Bud just had to get 9 pins on two balls to win. But got up and left the 4 pin, and even with missing the spare, he had already locked up a 364 to 362 victory.

Bud has now won the last two OBA events we have hosted, both being at bowling centers owned by the Husted Family. Congrats Bud on your second OBA title!

I would also like to take the time to thank all the bowlers that come out and support the events. I know that we have a lot of options to bowl, and I appreciate everyone of you coming out and trying, learning, and getting better as bowlers. I know it isn't always easy or the outcomes we desire, but I seriously appreciate all of you. You bowlers make running these events very enjoyable.

Our next event will be at Woodburn Lanes. I will have a sign up sheet going for this event. We will be doing a non champ event on Saturday and Sunday will be two qualifying squads (more details on format for this event in the next few days)

Disclose statement: All moneys shown on the tournament standings for jr's is sent to their USBC Smart Accounts.
