Yesterday the OBA made the Trip to Eugene and to Firs Bowl. We want to thank Firs Bowl for hosting our event this month.

Thank you to Storm Products Inc for your continued partnership with our organization.

We had 52 bowlers that started the days competition on the Kegel Stone Street Pattern. This provided the players with the opportunity to get the ball to the pocket fairly easily, but also had to figure out how to get the pins to fall. After our 6 games of qualifying, we cut to the top 12 and it took a score of 1327 (221.16 average) to make the top 12. Leading the way in qualifying was [Jake Klemesen](#) with a qualifying score of 1441. [Richard Lorey](#) and [Tanner Acosta](#) were 2nd and 3rd with 1402 and 1401 respectively.

Going into the 4 games of match play, and taking 4 to the step ladder finals, everyone in the finals had a chance. This turned out to be true with [Connor Jackley](#) bowling 1000 (250 avg) for his 4 match play games and won three of them. This fantastic bowling made him our tournament leader. 2nd place after match play [Kyler Crevier](#). 3rd place was [Jake Klemesen](#) and we ended up with a tie for the last spot in the step ladder with [Bill Machin](#) (who started the day not so well) and [Chelsea Sporkia](#) which prompted a 9th/10th frame roll off to determine who went to go on. In the roll off, Bill started with an open, and Chelsea proceeded to strike 4 times to shut the machine out.

Our stepladder finals brought us some entertaining matches.

In match one, Jake and Chelsea were both stringing strikes and Jake got up in the 10th with a chance to shut out Chelsea. His first shot did not strike, leaving a 3-6-10 which he converted and then struck for 253 making Chelsea need a double and good count to win. Chelsea was able to strike out to earn a 257 to 253 win and advance to the next match.

In match 2, the scoring pace slowed down with both players having a tougher time with carry. Chelsea got up in the 10th, and finished her game with 215, which forced [Kyler](#) to have to get a double in the 10th to win. [Kyler](#) threw a good shot the first ball in the 10th, however the 10 pin did not want to fall down and gave [Kyler](#) a solid 3rd place finish for the event and Chelsea to go on to face [Connor](#) for the title.

Title match, both players start off with the front 4, and then [Connor](#) had a big split in the 5th and chopped a spare in the 6th while Chelsea continued to strike. Chelsea was relentless in this match and had the first 9 strikes. The title was hers, the only question was would she finish the title match with a 300 game? She got the first one in the 10th, and then was unable to get the strike in the 11th and finished with a fantastic 287 to secure her first OBA title.

Congrats to [Chelsea Sporkia](#) on a fantastic performance.

Our next event will be our double points event 12/10 at Hazeldell lanes.

YTD points and all tournament related info is attached to this post as well.
