The OBA started our season yesterday with our opening doubles at Kingpins Portland, we appreciate the team at Kingpins for hosting us.

This month's event had added money from Joe Lipan and Titles Bowl. Thank you, Joe.

We had 59 teams (118 bowlers) show up to compete. With this being the first event of the year, I thank everyone that came out to bowl and for helping make check in as seamless as possible. (Shout out to AJ for helping get everyone checked in).

Once we completed announcements and got everyone started, the bowlers competed on the Kegel Tungsten Lane Pattern. This pattern proved to be a little tricky and we saw a lower scoring pace. Even though the scores were on the lower side, we still had some great bowling in qualifying. The high qualifying game went to [Makayla Jensen](#) with a huge 285! At the end of the six games of qualifying, the top 16 teams advanced to match play. It took a score of 2383 or -18 to make the finals. Leading qualifiers were [Cameron Weier](#) and [Rob Edwards](#) at 2726 (+326) followed by [Corey Husted](#) and [Ian Willard](#) at 2651 (+251).

The top 16 then bowled 4 games of match play with a total of 50 bonus pins available. With the scores from 3rd to 18th only separated by 200 pins, there was a chance for the teams to bowl some big games and win matches to get into the top 4 baker step ladder. Match play saw the teams of [Erik Hohlbein](#) and [Evan Nash](#) go from qualifying 3rd to being the top seed for the step ladder finals. Qualifying second was the team of [Todd Sipes](#) and [Dennis Ocheltree](#) with Dennis firing the only 300 game of the event. Qualifying 3rd was [Cameron Weier](#) and [Rob Edwards](#) who only got 15 bonus pins but their solid bowling all day got them to the first step ladder match. Rounding out the top 4 was [Corey Husted](#) and [Ian Willard](#).

The step ladder had some really good matches. In match one, Cam and Rob beat Ian and Corey 257 to 238. This was shaping up to be a high scoring step ladder, at least that is what it looked like.

Match two, even though contested on the same pair, was a far different match from match one. This was also a back and forth match but was on the lower scoring end. Todd and Dennis finished first with Todd having a chance to double in the 10th and force Cam to double in the 10th. Todd got the first strike and then in the 11th frame threw a great shot, only to leave a vicious ringing 10 pin. This meant that Cam had to mark the 10th for his team to advance. Cam's shot in the 10th hooked up a little early and left the 3-10 split. Having to make it to advance his team to the finals, Camron made the spare and then finished with a strike to win 168-164.

This set up the title match between Cam and Rob and Erik and Evan. This match was going back and forth until a couple untimely opens from the Erik/Evan team resulted in a victory for Rob and Cam 220 - 183.

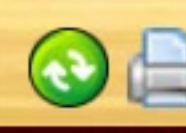

Congrats to [Cameron Weier](#) as well as [Rob Edwards](#) who told me he was the defending champion from the last time he bowled this event.

Again, thank you to all that came out and bowled, we already have a solid start to next tournament's sign ups which will be September 10 at Mt Hood Lanes.

Thank you to [#stormbowling](#) for you support of the OBA
